STUDENT GRIEVANCE REDRESSAL CELL

1. Vision

To cultivate a transparent, responsive, and student-centric academic environment by ensuring the fair, prompt, and confidential resolution of all student grievances, thereby upholding institutional integrity and student welfare.

2. Aims

- To establish an accessible, structured, and unbiased mechanism for students to voice their academic and administrative concerns without fear of victimization.
- To foster healthy, harmonious relationships among students, faculty members, and institutional management.
- To ensure compliance with university and UGC guidelines regarding student grievance redressal procedures.

3. Core Objectives

- **Accessible Redressal Mechanism:** To provide multiple channels (online/offline submission boxes, dedicated emails, and designated portal links) for students to easily lodge complaints.
- **Fair & Prompt Inquiry:** To investigate and resolve grievances within the stipulated timeframe while adhering strictly to principles of natural justice and confidentiality.
- **Academic & Administrative Transparency:** To address issues related to internal evaluation, attendance, library access, fee structures, infrastructural facilities, and general campus services.
- **Student Counseling & Support:** To guide students through proper institutional channels and offer amicable counseling for interpersonal or academic adjustments.
- **Preventive Measures:** To analyze recurring grievances and recommend proactive policy changes to the administration to prevent similar issues in the future.
